PolicyStat is the University of Miami’s document management software for managing policies, procedures, and other important documentation. **All** UHealth employees must comply and abide by all established UHealth policies and procedures.

Follow the workflow below in order to view recently revised documents via PolicyStat.

**Accessing PolicyStat:**

1. **Click** on the PolicyStat Link:  
   https://umhs-umhc.policystat.com/home/
2. Log in using your Cane ID and password.
3. If this is your first time logging into PolicyStat you may receive a message asking you to pick your **Home Site.** Select **University of Miami Hospital and Clinics** from the dropdown menu.

**Accessing Recently Revised Documents:**

1. Once logged in, navigate to the **Policy Management** section at the right side of your screen.
2. Click on Recently Revised.
3. You will see a list of all documents revised in the last 90 days and whether these are new or revised.
